

(c) In all cases the symbol shall be clear and large enough to afford easy identification of the schedule of the controlled substance upon inspection without removal from the dispenser's shelf.

§ 1302.05 Location and size of symbol on labeling.

The symbol shall be prominently located on all labeling other than labels covered by § 1302.04. In all cases the symbol shall be clear and large enough to afford prompt identification of the controlled substance upon inspection of the labeling.

§ 1302.06 Effective dates of labeling requirements.

(a) All labels on commercial containers of, and all labeling of, a controlled substance which is listed in any schedule on May 1, 1971, and which is packaged after December 1, 1971, shall comply with the requirements of § 1302.03.

(b) All labels on commercial containers of, and all labeling of, a controlled substance which either is listed in any schedule on May 1, 1971, and thereafter transferred to another schedule or is added to any schedule after May 1, 1971, and which is packaged more than 180 days following the date on which the transfer or addition becomes effective, shall comply with the requirements of § 1302.03.

(c) The Administrator may, in the case of any controlled substance, require compliance with the requirements of § 1302.03 within a period of time shorter than required by this section if he finds that public health or safety necessitate an earlier effective date.

(d) Until compliance is required under this section, the label on commercial container containing, and the labeling of, any controlled substance shall comply with any requirements under Federal law as to labels of such containers and as to labeling of such substances existing prior to the effective date prescribed in this section.

§ 1302.07 Sealing of controlled substances.

(a) On each bottle, multiple dose vial, or other commercial container of any

controlled substance listed in Schedules I or II or of any narcotic controlled substance listed in Schedule III or IV, there shall be securely affixed to the stopper, cap, lid, covering, or wrapper or such container a seal to disclose upon inspection any tampering or opening of the container.

(b) Any seal accepted for use under Federal law prior to May 1, 1971, shall be deemed acceptable for use under this section.

§ 1302.08 Labeling and packaging requirements for imported and exported substances.

(a) The symbol requirements of §§ 1302.03–1302.06 apply to every commercial container containing, and to all labeling of, controlled substances imported into the jurisdiction of and/or the customs territory of the United States, as defined in § 1311.02 of this chapter.

(b) The symbol requirements of §§ 1302.03–1302.06 do not apply to any commercial containers containing, or any labeling of, a controlled substance intended for export from the jurisdiction of the United States, as defined in § 1311.02 of this chapter.

(c) The sealing requirements of § 1302.07 apply to every bottle, multiple dose vial, or other commercial container of any controlled substance listed in schedule I or II, or of any narcotic controlled substance listed in schedule III or IV, imported into, exported from, or intended for export from, the jurisdiction of and/or the customs territory of the United States, as defined in § 1311.02 of this chapter.
